Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

When there was SFB funding, new roofing and air conditioning was done only to the weight room and auditorium buildings. The NHS campus is set up in a college-like setting with separate non-connected buildings, and all other are in need of repairs. estimates came in at \$649,424.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
Amount of Local funds planned for this project	\$0.00

Please outline any associated insurance coverage.

There are no local funds available for this project. Only basic patching and minor repairs have been done to maintain the surface. However, while individual leaks may be addressed, the situation will only deteriorate unless an entire roof replacement is done on the remaining buildings.
